Brand Mission

Allure is the most trusted voice in beauty. With vibrant imagery, rigorous reporting, and uncensored opinion, we deliver powerful storytelling. Allure is a vital guide to the trends, people, innovations, procedures, and products that matter most. As an industry thought leader, we drive the cultural conversation around beauty standards and challenge the status quo. Allure is beauty journalism with a backbone.

"As the beauty expert, Allure reflects the many diverse faces, identities, and experiences around us. In doing so, we strive to build a community that is accepting of beauty in all its forms, and that celebrates the endless opportunities for self-expression and enjoyment that beauty offers. As a part of this mission, we also provide thoroughly vetted information and inspiration everywhere the consumer interacts with beauty — at retailers, on social media, in their search bar, and at our Best of Beauty Live event."
